## Program Code Change

**To change your program code (major), submit this completed form to the Office of Admissions and Records (U214) or email [Registration@parkland.edu](mailto:Registration@parkland.edu).**

**Cautions:**

- It is strongly encouraged that you work with your academic advisor, and/or program manager before changing your program of study.
- If you are a financial aid recipient, check with the Office of Financial Aid and Veteran Services (U286) before you change programs to find out if there are financial consequences. (non-degree seeking students are not eligible for financial aid).
- If you are receiving veterans' benefits, inform the Office of Financial Aid and Veteran Services (U286) of the change in program.
- If you are attending Parkland under a cooperative or career program agreement, you will want to check with your "home" community college before making a change.
