

## Clark-Lindsey Village a Senior Living Community

<https://www.clark-lindsey.com>

**Our Mission /Vision and Values:** Clark-Lindsey offers senior adults exceptional services and living environments designed to engage the mind, spirit, and body in wellness and community, so that older adults may thrive. Our Vision is to realize the mission of Clark-Lindsey. Our values are meaningful life, empowered staff, real home and community engagement. The Board of Directors, management, and employees will seek to fulfill the following goals:

- ☑ To offer residents the opportunity to explore new experiences and new relationships, while enjoying the comfort and familiarity that comes from being among colleagues and friends;
- ☑ To provide a variety of programs and potentials that promote optimal health and fitness;
- ☑ To inspire residents to remain socially, professionally and intellectually involved through continued education and cultural opportunities;
- ☑ To incorporate the best of our community resources and to build upon existing relationships throughout the surrounding community.
- ☑ To provide residents with access to high caliber educational and recreational resources, providing opportunities to stay connected with the local community regardless of age;
- ☑ To provide high quality health services necessary to support residents throughout their lives.

**Internships** Clark-Lindsey offers unpaid internships which are compatible with many areas of college study including humanities, psychology, business, social work, graphic design and others. To research potential internship opportunities, please submit a resume and cover letter to Laura Edwards, Community Relations Coordinator at [ledwards@clark-lindsey.com](mailto:ledwards@clark-lindsey.com)

**Volunteer Projects** Clark-Lindsey offers diverse opportunities for volunteering including greeting and serving at the monthly senior luncheon, performing music, doing crafts, playing games with residents, cooking and baking with residents, pet visits with residents, library and technology aides, and many more.
