

### **Mission / Vision Statement**

To provide educational, emotional, physical and spiritual assistance, family support and purpose to homeless families who are desperate and displaced, while lifting up Jesus Christ and His love toward all people, providing outreach ministries and enabling families within an urban community to achieve self-sufficiency and restore their lives.

### **Internships**

None listed

### **Volunteer Projects**

Volunteer opportunities include cooking and serving meals to residents, tending the Hope Garden, facility upgrades and repairs, painting, sorting clothing, and sorting and distributing food in the Food Pantry.

Volunteer opportunities are tailor-made to meet both Restoration's needs as well as the interest and skills of each volunteer. We arrange volunteer opportunities for single individuals and groups, one-time projects and on-going projects.

To volunteer with Restoration Urban Ministries, please fill out the form on their [volunteering website](#).
