ILLINOIS COMMUNITY COLLEGE BOARD

DEFINITIONS

## Illinois Community College Board

### FUND DEFINITIONS

Financial administration requires that each transaction be identified for administrative and accounting purposes. The first identification is by "fund" which is an independent fiscal and accounting entity, requiring its own set of books in accordance with special regulations, restrictions and limitations that earmark each fund for a specific activity or for attaining certain objectives. Each fund must be so accounted for that the identity of its resources and obligations and its revenues and expenditures is continually maintained.

#### Education Fund

The Education Fund is established by Section 3-1 of the Illinois Public Community College Act and is the most active of those maintained by the College. All transactions which relate directly to the instructional program are recorded here along with transactions involving Academic Support, Student Services, Public Services, General Administration and Institutional Support. The sources of revenue credited to the Education Fund are local Education Fund tax levies, student tuition, state support, out-of-district chargebacks, state and federal monies for reimbursable programs and other revenue.

#### Operations and Maintenance Fund--Operational

The Operations and Maintenance Fund is established by Section 3-1 and Section 3-20.3 of the Illinois Public Community College Act and is used to account for expenditures resulting from facilities improvements and operation and maintenance of plant. Local Operations and Maintenance Fund tax levies and Corporate Personal Property Replacement Taxes provide the primary means of financing the operation of this fund.

#### Operations and Maintenance Fund--(Restricted)

This fund is used to account for monies restricted for building purposes and site acquisition.

It is suggested that Protection, Health, and Safety levies; Building Bond Proceeds; Repair and Renovation Grants; and accumulation monies restricted from the Operations and Maintenance levy for building purposes be accounted for in a series of self-balancing accounts in this fund.

#### Bond and Interest Fund

The Bond and Interest Fund is established by Section 3A-1 of the Illinois Public Community College Act. This fund is used to account for payment of principal, interest, and related charges on any outstanding bonds. Debt service for each bond issue must be accounted for separately using a group of self-balancing accounts within the fund.

Illinois Community College Board

FUND DEFINITIONS

(Continued)

Auxiliary Enterprises Fund

The Auxiliary Enterprises Fund is established by Section 3-31.1 of the Illinois Public Community College Act and accounts for college services where a fee is charged to students/staff. Each enterprise/service should be accounted for separately using a group of self-balancing accounts within the fund. Examples of accounts in this fund include food services, student stores, and intercollegiate athletics.

Only monies over which the institution has complete control should be included in this fund. Subsidies for auxiliary services by the Education Fund should be shown as transfers to the appropriate account.

Restricted Purposes Fund

The Restricted Purposes Fund, established by ICCB Rules 1501.508 and 1501.509, is for the purpose of accounting for monies that have restrictions regarding their use. Each specific project should be accounted for separately using a complete group of self-balancing accounts within the Restricted Purposes Fund. Care should be taken in establishing each group of self-balancing accounts so that the accounting and reporting requirements of the grantor are met. If the grantor provides an accounting manual, it should be followed for the group of self-balancing accounts. ICCB grants which should be accounted for in this fund include the advanced technology equipment grant, special populations grant, economic development grant, and retirees health insurance grant.

Working Cash Fund

The Working Cash Fund is established by Section 3-33.1 of the Illinois Public Community College Act. This fund is first established without voter approval by resolution of the local board of trustees for the purpose of enabling the district to have on hand at all times sufficient cash to meet the demands for ordinary and necessary expenditures. Additional bonds may be issued, without voter approval, in an amount or amounts not to exceed in the aggregate 75 percent of the total tax extension from the authorized maximum rates for the Education Fund and the Operations and Maintenance Fund combined, plus 75 percent of last known corporate personal property replacement tax allocation.

This fund is used to account for the proceeds of working cash bonds. By making temporary transfers, the Working Cash Fund is used as a source of working capital by other funds. Such temporary transfers assist operating funds in meeting the demands for ordinary and necessary expenditures during periods of temporary low cash balances. Payments for the principal or interest of working cash bonds should be made from the Bond and Interest Fund. (Section 3-33.1 through Section 3-33.6 of the Illinois Public Community College Act relate to various provisions for the Working Cash Fund.)

FUND DEFINITIONS

(Continued)

Trust and Agency Fund

The Trust and Agency Fund, established by Section 3-27c of the Illinois Public Community College Act, is used to receive and hold funds when the college serves as a custodian or fiscal agent for another body. The college has an agency rather than a beneficial interest in these monies. Each agency's monies should be accounted for by a complete group of self-balancing accounts, or sub-fund, within this fund. College club monies, for example, should be accounted for in this fund.

Audit Fund

The Audit Fund is established by Chapter 85, Section 709 of Illinois Revised Statutes for recording the payment of auditing expenses. The audit tax levy should be recorded in this fund, and monies in this fund only should be used for the payment of auditing expenses.

Liability, Protection and Settlement Fund
