**Veteran  
Advance Pay Request**

---

- You must request Advance Pay at least 30 days before the start of the semester.
- To be eligible for advance pay, you must have had a break in your attendance. For example, if you attended the fall semester, you will not be eligible for advance pay for the spring semester.
- The VA may not be able to process your request even if you meet the above requirements due to processing limitations.
- If you receive advance pay, you will not receive another living stipend for 3-4 months.
- By signing below, I am electing to receive advance pay from the VA for my Federal Education benefit.
