

# MUSIC PERFORMANCE

Program Code: F.MSP.AFA

## Associate in Fine Arts (A.F.A.)

Graduation requirement — 64 semester hours

Students preparing to transfer to a four-year college or university in Music Performance will find that the A.F.A degree curriculum prepares them to complete a bachelor's degree in music performance. Completion of the A.F.A., however, does not fulfill the requirements of the Illinois General Education Core Curriculum (GECC). Therefore, students are advised to also complete the GECC before transferring. Transfer admission is competitive and completion of this program alone does not guarantee admission either to the baccalaureate program or to upper-division music courses. Some colleges and universities also require competency in a single foreign language. Students should plan their transfer program with a music faculty advisor and the catalog of the four-year college or university they plan to attend.
