## Tuition and Fees

(per credit hour)	On-campus	Online
In Parkland College District 505	\$164	\$164
In Parkland College District 505 Tier 2 (class prefix AFM, CNH, DHG, LPN, NUR, OTA, RTT, SUR, VTT, XRA)	\$245.50	\$245.50
Out-of-district		
Illinois residents	\$370.00	\$245.50
Out-of-state/international	\$529.00	\$300.50

Additional fees are noted in the class listings. A service fee of 2.7% for payment with credit/debit card will be added.

Pay tuition by the deadline to avoid classes being dropped for non-payment (see above). You are responsible for officially dropping classes to avoid bills and failing grades. **Do not assume you have been dropped for non-attendance or non-payment.**

## How to Pay

- Financial Aid—verify status at [my.parkland.edu](http://my.parkland.edu) (login required)
- Cashier office, room U250 (payment dropbox located outside door)
- Mail check to Parkland College, Cashier, Room U250, 2400 W. Bradley Ave., Champaign, IL 61821
- Online at [my.parkland.edu](http://my.parkland.edu) (login required)
- Nelnet payment plan [www.parkland.edu/nelnet](http://www.parkland.edu/nelnet)

## Refunds

- If the college cancels a class, a full refund will be processed automatically.

## Withdrawing from classes

- To drop a class with no record and receive a refund, you must either drop the class online by the Sunday following the first day of class, OR go to Admissions and Records, U214, by the Friday following the first day of class. No refunds are given for withdrawing from a class after those deadlines.
- You may withdraw from any class up until one week before the final day of class. Withdrawing after the first week of class results in a “W” grade on your transcript and no refund. To withdraw you should speak with your instructor, department chair, or program director to request their signature on the withdrawal form. You must withdraw in person at Admissions and Records, U214, or by mailing in a “Withdraw from Classes” form (download at [www.parkland.edu/admissions/forms.aspx](http://www.parkland.edu/admissions/forms.aspx)) before the deadline.
- If you are receiving financial aid, changing your schedule may affect it. Please check with the Office of Financial Aid and Veteran Services, U286, prior to making schedule changes or withdrawing from classes.

**CCS Critical Comprehension Skills**

CCS courses focus on reading and study skills essential for college success.

Students enrolling for the first time in a course requiring college-level reading skills must first take the reading assessment test. They will then be placed in a CCS course or be exempt based on their performance on the test.

Students who have appropriate standardized test scores such as ACT or SAT or who are transferring credit in two reading-intensive courses will be placed directly into college-level reading classes without taking the Parkland assessment test.

For more information, call 217/351-2217.

## **CTC** Computer Technology Center

Learn computers at your own pace!

Word, Excel, Access, PowerPoint, computer basics, web technology, and more.

Online or in a supervised computer lab—or both!

See [csit.parkland.edu/ctc](http://csit.parkland.edu/ctc) for more information.

### **CTC OPEN CLASSROOM (D228) HOURS**

#### **January 16–May 15**

Monday and Wednesday: noon–7pm

Tuesday and Thursday: 9am–4pm

Friday: 9am–noon

These CTC courses are open-entry, open-exit, which means students may begin and complete coursework at their own pace. Students may attend the open classroom to complete coursework, study online, or both. An instructor is always available to help during open classroom hours. Online students are welcome to come to the open classroom for help.

To begin the course, students should view course information in Cobra Learning or contact the instructor. Students are encouraged but not required to stop by D228 to get help starting their course. For late enrollment in CTC classes or other questions, call 217/351-2506.

These courses are open entry through April 6. Instructor or department chair permission is required after April 6. All course work must be completed by May 10.

## ENGLISH COMPOSITION ASSESSMENT REQUIREMENT

Students enrolling for the first time in an English composition course at Parkland must take the English and reading assessment tests. They will then be placed in ENG and CCS courses based on their performance on the test.

Students who have high enough ACT scores may be placed directly into college-level classes without taking the Parkland assessment test. Students with college transfer credit in English composition will be placed on the basis of college credits already earned.

For more information, call 217/351-2217.

**ENG 102 Composition II (3.00 hrs.)**

## ENG 102 — COMPOSITION II

Parkland College offers two options of research-based composition, ENG 102 — LIBERAL ARTS SECTIONS and CAREER-ORIENTED SECTIONS.

Both options fulfill freshman composition requirements for all Parkland degree programs, and both transfer to other colleges and universities.

**Additional course fee:** \$12.00**Prerequisite:** ENG 101 with a grade of C or higher.**All Technology (T) sections:** Students must bring their own Wi-Fi enabled laptop which meets minimum hardware and software requirements, as defined in the Parkland KnowledgeBase at parkland.edu/byod.

## CAREER-ORIENTED SECTIONS OF ENG 102

Career-oriented sections of ENG 102 (the odd-numbered sections listed below) are a good choice for students who plan careers in business, technical, and scientific fields, as well as some other careers such as law enforcement and health professions. In career-oriented sections of ENG 102, students practice the kinds of writing used in the workplace such as memoranda, business letters, proposals, and formal reports. Students research topics through a variety of methods and sources to develop the skills required for the final extended research paper.

## LIBERAL ARTS SECTIONS OF ENG 102

Liberal arts sections of ENG 102 (the even-numbered sections listed below) are a good choice for students majoring in humanities, arts, and social science fields, especially those who plan to complete a bachelor's degree and perhaps continue on to graduate or professional school. In liberal arts sections of ENG 102, students practice the skills required in academic research-based writing, including analysis, synthesis, interpretation, and evaluation of information and points of view from a variety of print and electronic sources. In several shorter research-based essays during the first part of the course, students develop the skills required for the longer research paper completed later in the course.

**MAT Mathematics****MATHEMATICS COURSES ASSESSMENT REQUIREMENT**

Parkland is committed to helping students achieve success in their course work. In this effort, the college has designed a mathematics assessment program to aid students in selecting the most appropriate mathematics course while taking into account their widely varied mathematics backgrounds.

Assessment or credit in the listed prerequisite course is required prior to registering in any mathematics course.

Assessment scores are valid for only two years; thereafter, the student must be reassessed.

Students with transfer credit in mathematics are not required to take the assessment, but can be placed on the basis of mathematics credits earned within the last five years (after a review of transcripts).

See parkland.edu/assessment for more information.

Students signing up for online and hybrid math classes no longer require special departmental permission to enroll. However, online/hybrid classes are not the best fit for students requiring frequent interaction with their instructor. Previous experience with online classes is highly recommended prior to taking an online math course. Some on-campus or proctored off-campus testing required. For additional information, go to parkland.edu/mathOnline.
